ERS CLOSE, AT THE FINISH.

el Competitions Draw an Immense Crowd of Clubmen and Their Friends.

Athletic Director Harry Cornish Will Arrive To-Morrow.

The final competition for the swimming championships of the New Manhattan Athletic Club were held before an immense crowd in the natatorium yesterday afternoon.

The contests opened with a tub race, which was won by M. Metzler, with Dr. Adams a close second and W. R. Grace, third, Time—0:48.

Following through the eighteen-inch ring followed six competitors, and the judges followed Dr. Adams for first, W. R. Grace, second, and E. M. Vandervoort, third.

The three-hundred-yard handicap race was won by Dr. Adams (scratch) by five yards; E. M. Vandervoort (7 seconds), second, and M. Metzler (15 seconds), third, Time—5:44.

An exhibition followed by Professor Enoch, from the Royal Aquarium, London, England, who is probably the finest all-around swimmer in the world. He swam the distance of the tank feet foremost, and concluded his part of the entertainment by swimming the length of the tank (100 feet) in four strokes, the best previous club record being seven strokes 1-5.

The raft-pegging contest proved to be a victory for Mr. Metzler, whose time

was 2:17.5, breaking the former record of 2:25, held by Dr. Adams. Dr. Adams' second time—2:20.5. Mr. H. Farjeon captured third place. Time—2:31.5.

A novelty called a "tin plate race" was the next feature, in which five contestants started, the conditions that each man should take the plate the entire distance. Five men started, and Metzler finished first, Grace second and Metzler third; time, fifty-eight and three-fifths seconds.

Thomas Carey again tried for the one hundred yard distance of one minute, fifteen and three-fifths seconds, held by W. S. Johnson. He was paced the last one hundred feet by ex-champion A. Moffert, but failed in the attempt by one-fifth of a second.

In the life saving contest, in which Professor B. fell into the water and was rescued by the competitors, Metzler was selected as the time being very close to the Grace was second, and Dr. Adams third.

For distance Dr. Adams was first, one hundred and fifty feet; Metzler second, one hundred and fifty feet; time, thirty-eight and one-fifth seconds; Metzler third, distance one hundred feet; time, thirty-one and three-fifths seconds.

Allan Green gave a splendid exhibition of fancy swimming and was, as expected, with triumph, the winner of the competitions closed with a two-hundred yard hurdle race over ten fitches, won by Grace. Vandervoort, second, and Metzler third, distance one hundred feet; time, thirty-one and three-fifths seconds.

Officials were: Referee and master of ceremonies, John C. Hart; judges, J. J. Eley, Albert Saunders and R. E. Leach; timekeepers, E. M. Coyne, M. Mayer and L. E. Rock; official scorer, A. Selig.

Result of the competitions places the winners in the following order:

1st. Adams. 2d. Metzler. 3d. Grace. 4th. Carey. 5th. Johnson. 6th. Eley. 7th. Saunders. 8th. Leach. 9th. Coyne. 10th. Mayer. 11th. Rock. 12th. Selig.

Cornish will arrive to-morrow and begin his duties as athletic director. Next Sunday there will be, in game of water polo in the

natatorium, a series of athletic competitions in the gymnasium.

The swimming medals will be presented to the successful competitors on Saturday evening from the stage of the theatre.

\$4,500 FOR LAVIGNE.

Dan Stuart's Big Offer to the Lightweight for a Fight in Mexico Next Month.

At an early hour yesterday morning in a prominent uptown resort Joe Vendig, who is representing Dan Stuart in the East, approached Sam Fitzpatrick, "Kid" Lavigne's manager, and said: "I have just received a telegram from Dan Stuart stating that he wants true champions to contest at the Mexico fistic carnival, and that he is anxious to secure 'Kid' Lavigne. He has instructed me to offer you a purse of \$4,500 for a six-round fight at 125 pounds, give or take two pounds, with Jack Everhardt. Will you accept the offer?"

"How long does the offer hold good," asked Fitzpatrick.

"Until next Tuesday," responded Stuart's representative.

Fitzpatrick afterward said: "I think I shall accept Stuart's offer for a six-round fight with Everhardt or any other lightweight he names, but will not accept the offer for the boxing show, which is to be given at the Grand Central Palace, in this city, next Thursday evening. That occasion Lavigne is to box four rounds with Tommy Ryan and two of the best lightweight, one of whom will probably be Owen Zigler, so I do not care to decide upon anything until I see how he gets through with these opponents. My plans are all made in to Europe to let Lavigne fight Dick Burge for the world's championship, yet if I could arrange to meet Everhardt or Leeds first I might do so. In this case Lavigne could meet Burge as the undisputed best lightweight in America."

When Lavigne was asked whether he would like to meet Everhardt before going to Europe he replied: "Yes, indeed, I am more than willing. Personally, the more I fight the better I like it. I have no fear of being whipped by any lightweight now known to the public, and any match this manager may make will be agreeable to me."

Dixon and Marshall Matched.

Joe Vendig met a party of prominent sporting men in a Broadway resort early yesterday morning, including the representatives of George Dixon and Jerry Marshall, and formally offered a purse of \$3,500 for a six-round fight, to take place near El Paso on February 16, between the two featherweights. The Dixon party was first to accept, and after some little discussion Marshall's representative agreed to the articles of agreement, which were accordingly signed. Vendig at once wired Dan Stuart, who replied yesterday instructing him to at once complete all the matches scheduled to take place at the carnival.

Martin Julian Arrives.

Martin Julian, who has been in charge of the affairs of one Robert Fitzsimmons, arrived in the city yesterday to attend, as he expressed it, to a "little private business." Julian does not expect to have any relations with "Lanky" Bob. He expects to return to Texas in a few days.
